

Cabernet Sauvignon

DOMAINE KATSAROS

Domaine Katsaros is a small family enterprise established in 1985 in the traditional wine country of Krania, Mount Olympus, in Northern Greece. At 750 meters above sea level, this twenty-acre vineyard is planted with Cabernet Sauvignon, Merlot and Chardonnay. The main factors contributing to the superior quality of these award winning wines are the regions' mild winters, the sun blessed, yet cool summers, and organic vineyard coupled with the limited yield.

WINEMAKER

Winemaker Evripidis Katsaros has winemaking in his blood. Born in Larisa in Northern Greece, he grew up in the vineyard at his family's estate located on the slopes of mount Olympus. Evripidis holds a degree in General Biology from Bordeaux University Victor Segalen, Viticulture Diploma and National Diploma of Enology from Burgundy University. From 2002 to 2004 Evripidis spent time expanding his skills in viticulture and winemaking at Domaine Roulot in Meursault and at Domaine G.Roumier in Chambolle Musigny. Since 2007 he has been working at his family estate.

TASTING NOTES

Deep black reddish color with tinges of blue and violet. On the nose, black cherry, black currants, cedar, leather and black pepper and cacao. On the palate, the wine is full bodied, acute tannins with spicy dark chocolate and defined blackberries with hints of dried herbs. Great potential ageing for ten years plus.

FOOD PAIRING

Lamb chops, venison, grilled sirloin steak with bordelaise sauce.

COMPOSITION:

85% Cabernet Sauvignon & 15% Merlot

APPELLATION:

PGI Krania

PRODUCTION:

25500 bottles

HARVEST YIELDS:

26 hl/ha

TECHNICAL NOTES:

Stainless steel tanks and ageing in small French oak barrels from 16-22 months.

Alcohol: 13.5%

Acidity: 6.0g/l

pH: 3.65
